

Are You A Safe Driver ?

Drive Safely Work Week October 6-10, 2008

The Nebraska Department of Roads joins organizations across the country in observing the twelfth annual Drive Safely Work Week (DSWW), October 6-10, 2008. During this week, employees are encouraged to make the commitment to drive safely at all times.

This year's national campaign theme, "Take the High Road. Share the Road. It Belongs to Everyone" addresses the special needs and considerations of all roadway users. As motorists, we share the road with drivers of various ages, skill levels, personalities and habits. We also share the road with pedestrians, bicyclists, motorcyclists, and vehicles of varying sizes. Understanding the unique limitations and challenges of other drivers and road users will enable us to be more respectful and considerate of our roadway companions.

Please visit the [Drive Safely Work Week](#) web page for additional information and useful tips to keep you and your family safe on the road. Remember: Sharing the road requires mutual respect by all road users.

Share the Road with All Road Users

Bicyclists
Older Drivers
Teen Drivers

Motorcycle Riders
Pedestrians
Truck Drivers
