The following information is current as of

Aerial and/or underground utilities may exist within the limits of this project. The Contractor shall determine to their satisfaction the extent of occupancy of any utility facilities located within the project construction areas and the extent of conflict with the proposed work under this contract.

Any utility adjustments or interruption of service for the convenience of the Contractor shall be the sole responsibility of the Contractor.

To arrange for utilities to locate and flag their underground facilities, contact Diggers Hotline of Nebraska at 1-800-331-5666, or dial 811.

The following utilities have known facilities within the project area:

Name of Utility: Brief description of conflict, if any. Contact name, contact phone.

Name of Utility: Brief description of conflict, if any. Contact name, contact phone.

The preceding is for the contractor's information only. It is the contractor's responsibility to verify the accuracy of the information.

All utility rehabilitation will be accomplished prior to or concurrent with construction.

It is the responsibility of the contractor to cooperate and coordinate his/her work with any utility work to be done concurrent with construction in an effort to complete both promptly. The contractor shall determine to his/her satisfaction the extent of utility occupancy and utility conflict for facilities located within the construction areas, including determining impacts and timeframes for completion.
