## Railroad Impact Certification

Project Name:

---

Project No.:

---

Control No.:

---

The following is a statement of the status of railroad negotiations and relocations for the subject project in accordance with the requirements of the Federal-Aid Policy Guide. (*Check one*)

- There are no railroad relocations or impacts anticipated on this project.
- All required railroad agreements and easements have been obtained and are on file for this project.

We certify that the foregoing statement regarding the status of railroad relocation is true and correct.
