

Announcement:

Local Bridges off the Federal-aid System

Selection of Bridges Eligible for Funding

January 15th, 2016

Referring to Section V.C. of the Local Bridge Selection Policy

<http://www.transportation.nebraska.gov/gov-aff/pdfs-docs/bridge/bridge-sel-policy-current.pdf> , local bridges off the Federal-aid system (“off-system”) listed below meet Section VI qualifying criteria and rank the highest according to Section VII ranking criteria.

As per the provisions of Section III, Funding Responsibilities, approximately \$4 million of Federal Funds are available per year allowing for the programming of \$5 million per year of BRO projects. NDOR is programming for 2 fiscal years.

The following bridges met all the qualification criteria and appear in descending order of ranking.

Structure ID	LPA NAME
U062044305	City of Crete
C008002010	Seward County
C000801605	Boyd County

NDOR will contact the owners of the above bridges in order to assist the LPA in the application and programming of these projects. The programming and schedule will be developed according to more refined cost estimates and available cash flow. Projects will be offered for the highest ranked structures until the available funding is exhausted. After the projects are programmed NDOR and the LPA will enter into an agreement that will define the funding levels and schedule.
