RE: Soft Match Credit Release Request

Dear Mr. Finch,

As stated in our letter to you on March 1, Soft Match "source" project reviews are currently underway. As you know, there are several counties with Soft Match Credit balances that have had no new Soft Match "source" projects since 2004. For these counties, eligibility reviews have been deemed unnecessary and the NDOR proposes to reinstate these credits effective immediately and release them for use by the counties.

The 13 counties to be considered and their corresponding Soft Match balances are as follows:

Dakota County	\$ 133,425.65
Dawson County	\$ 73,351.79
Douglas County	\$ 79,210.06
Gage County	\$ 328,343.38
Garfield County	\$ 39,048.13
Greeley County	\$ 23,247.85
Howard County	\$ 19,208.41
Kearney County	\$ 43,405.72
Loup County	\$ 4,643.64
Red Willow County	\$ 1,286.24
Scottsbluff County	\$ 21,116.32
Sioux County	\$ 472.50
Wheeler County	\$ 57,503.21

The NDOR respectfully requests FHWA concurrence with this proposal.

Sincerely,

Larry L. Legg  
Secondary Roads Engineer
