The Special Provisions are amended to include the following:

FABRIC SILT FENCE

For the installation of silt fence, the Department has about 2,000 used steel "T" post available at the Holdrege Maintenance Yard for use at no cost to the Contractor. If the Contractor elects to use these posts, the Contractor will be required to make arrangements with the Engineer for access to the maintenance yard. The posts may be used for this project only. Any extra posts picked up and not incorporated into the silt fence shall be returned to the maintenance yard.
